The Hon’ble Vice-Chancellor Prof. Dr. S. Geethalakshmi inaugurated the workshop on "Research Methodology and Biostatistics: How to do good Dissertation?" for first year MD/MS Post Graduates at Tirunelveli Medical College from 22.08.2017 to 24.08.2017. She also released the workshop module.
The Department of Epidemiology, The Tamil Nadu Dr M.G.R Medical University and Tirunelveli Medical College jointly organized the workshop on “Research Methodology and Biostatistics: How to do good Dissertation?” for first year MD/MS Post Graduates at Tirunelveli Medical College from 22.08.2017 to 24.08.2017.

The Dean of Tirunelveli Medical College Dr. Sithy Athiya Munavarah, welcomed the Chief Guest - Hon’ble Vice Chancellor madam and the participants. The Hon’ble Vice-Chancellor Prof. Dr. S. Geethalakshmi inaugurated the workshop. Speaking at the workshop Madam emphasized the need to conduct systematic Research in Health & also disseminate the generated evidence through periodic publications. She said that this first time such workshop is held in Tirunelveli & this initiative would improve quality of Research in Medical Sciences. She assured all support to similar workshops and released the workshop module.

Speaking at press meet Vice Chancellor Madam insisted that this Research workshop has been mandatory to all first year Post graduates and the workshop will be conducted in all affiliated Medical colleges Dr. G. Srinivas, Professor of Epidemiology felicitated the function and summarized the contribution of Hon’ble Vice Chancellor Prof. Dr. S. Geethalakshmi in medical education & medical research. Dr. S. M. Kannan, Vice Principal proposed the vote of thanks, he thanked faculties of Department of Epidemiology & Department of Community Medicine, Tirunelveli Medical college for organizing and conducting the workshop.

**Purpose of Workshop**

This 3 day Workshop (WS) on ‘RESEARCH METHODOLOGY & BIOSTATISTICS (RMBS): How to do a good Dissertation?’ was designed with an objective to build the capacity of participants on research methods. To understand the correct Methodology to do their Dissertation through the development of a solid structure, research strategy and clarity in drafting chapters, Manuscript Writing and Publications.
**Course contents**

Sources of Research Topics, Formulation of Research Question & Research Objective, Literature Review & Organization Zotero, Study designs, Sampling and estimation of Sample Size, Basic Biostatistics, Test of significance, P value, 95% confidence interval, Steps in writing protocol & Dissertation University Guidelines, Ethics in Research, Communicating Research and Demo of Statistical software.

**Learning Methods**

The learning method used was lectures for technical inputs, presentation by participants on each day’s proceedings, small group sessions between the participants on protocol development.

**Participants**

A total of 100 MD/MS Post Graduates from Various streams like Medicine, OG, Psychiatry, Dermatology, Surgery, etc participated in this workshop.

**ANNEXURES**

Annex 1: Workshop Agenda

Annex 2: Participant list

ANNEX I: Workshop Agenda

‘Research Methodology Workshop: How to do a good dissertation?’ for 1st YEAR MD/MS/DM/MCh Post Graduates

(August 2017)

Organized by

The Tamil Nadu Dr M.G.R Medical University & Tirunelveli Medical College

| 10.00 – 10.45 am| Introduction to Research                                   | Dr. Shantharam, MD  
Professor  
Dept of Community Medicine- TVMC |
| 10.45 – 11.00 am| Tea Break                                                  |                                                                             |
| 11.00 – 11.45 am| Framing a Research Question and Formulating objectives    | Dr. Jasmine S. Sundar, MBBS., M.Sc.,(Epid), Assistant Professor.  
Dept of Epidemiology (doE)  
The Tamil Nadu Dr.M.G.R.Medical University (TNMGRU) |
| 11.45 – 12.15 pm| Small group discussion                                     | Dr. G. Krishnaleela, MD.,  
Professor  
Dept of Community Medicine, TVMC |
| 12.15 – 1.00 pm| How to Write a Research Protocol?                         | Dr. K. Sunitha, MD.,  
Associate Professor  
Dept of Community Medicine- TVMC |
| 1.00 – 1.15 pm| Small group discussion in protocol writing                | Dr. S. Kalpana, Ph.D., Research Officer, DoE, TNMGRMU                      |
| 1.15 – 2.00 pm| Lunch Break                                                |                                                                             |
| 2.00 – 2.45 pm| Basic Statistics in Health Research                       | Ms. S. Valarmathi, M.Sc., M.Phil., (Ph.D.),  
Research Officer, DoE  
TNMGRMU |
| 2.45 – 3.45 pm| Descriptive Study Designs                                  | Dr. G. Srinivas, MD.,  
Professor, Dept of Epidemiology  
TNMGRMU |
| 3.45 – 4.00 pm| Tea Break                                                  |                                                                             |
| 4.00 – 4.30 pm| Analytical Study Designs                                   | Dr. G. Srinivas, MD.,  
Professor, DoE  
TNMGRMU |
<p>| 4.30 – 5.00 pm| Small group discussion (Selecting an appropriate study design) | Dr. G. Srinivas, MD., Professor, DoE, TNMGRMU |</p>
